Note: The Provider of Services data extract from the Quality Improvement Evaluation System (QIES) database is maintained by the Centers for Medicare & Medicaid Services (CMS). These data include provider number, name, and address and characterize the participating institutional provider (including hospitals, skilled nursing facilities, home health agencies, and other types of facilities). The data are collected through the CMS Regional Offices. The file contains an individual record for each Medicare-approved provider and is updated quarterly. This attribute represents the description associated with Facility Sub Category code within a Centers for Medicare & Medicaid Services provider type code category.
